All within one block of each other.

Parking

There is not a fee for parking for friends and fans. One of our lots by Kolf Sports Center is fenced off as we prepare to build a new academic building on campus. All of this is easy to find once your reach campus.

Concessions

Food and beverages will be available at Kolf Sports Center. We will have Cousin Subs, Pizza Hut Pizza and other concession stand items.

Training Room

We will have a certified trainer on staff for the event as well as three student trainers. They will be in the training room in Kolf Sports Center first floor one hour before play starts on Saturday and Sunday morning. After play starts there will be a student trainer at each site. We will also have a van available for transport to a local hospital if needed.

Please bring your own tape and supplies if possible. We have an excellent facility and staff for your needs. Water will be provided at each court.

Hospitality Room

Our hospitality room is located on the lower level of Kolf Sports Center in classroom 135. Please enjoy but we ask that only coaches and officials make use of the room.

Volleyballs

Please bring your own volleyballs for warm-up. A game ball will be provided at each court.

Spectators

Friends and family are encouraged to attend with bleachers available in Kolf Sports Center and Albee Hall. There is also plenty of room to bring chairs. The Student Recreation and Wellness Center does not have bleachers and spectators will use the jogging track about the courts to watch. Please stay off all weight equipment, jump pits and the gymnastics equipment in all the venues.
